

Term 4 Week 2

13 October 2014

Murrumburrah Public School students commended for their academic performance

Several students from Murrumburrah Public School achieved outstanding results when they participated in ICAS competitions this year. Students sat exams in Writing, Computer Skills, English and Mathematics and received participation, credit and merit certificates. Students will be awarded their certificates during a special assembly on Friday 31 October.

In addition to this success, selected primary age students travelled to Wagga to participate in the Premier's Spelling Bee. Given that it was the first time students have attended such an event, they performed well under the pressure with Maria Raptis making it through to the last round and where she was placed third in the Northern Riverina. Well done Samantha Emms and Annie Brooker who also made it through several levels of competition. Thank you to Mrs Ford for co-ordinating this event and a big thanks to parents for providing transport.
