Positive Behaviour for Learning Launch

It has been two years in the making and on Friday Murrumburrah Public School will officially launch its Positive Behaviour for Learning (PBL) initiative. During that time, our school community has worked together to determine the core values the school will uphold; those being Respect, Responsibility and Empathy.

We have also worked together to decide upon behaviours that are needed to uphold the school values. These behaviours are explicitly taught to students in a very positive way and are now displayed at various points around our school.

A special assembly hosted by 6S will be held at 12.30pm on Friday to mark the occasion with Year 6 students providing an excellent example of our school's values by presenting various charities with donations of money they have raised during the year. A special guest from the Department of Education will declare the PBL program officially launched and this will be followed by a barb-a-cue lunch for the school community. During the afternoon students will celebrate with various activities including jumping castles, face painting and mini-golf. Students can come to school in dressed in the PBL colours of purple, orange and green.

So please come and join us for the assembly and to stay for lunch.

Kinder Orientation

Last Wednesday our Kindergarten 2015 students had the first of their orientation sessions. During the morning they were partnered with 'buddies' from Years 4 and 5 for reading and learning activities. They also enjoyed a tour around the school, where they visited other classrooms, the library, the playground and the office area.

Thank you to our Year 4 and 5 students who did a fantastic job helping the younger students.

We welcome Kinder 2015 back this week for an afternoon session.

Swimming time again

Harden Shire Council will be opening the Harden and Jugiong pools in November. Harden Pool will be open from Saturday 8 November 2014 to Sunday 29 March 2015. Jugiong Pool will be open from Saturday 22 November 2014 to Sunday 15 March 2015.

Harden pool now has a solar heating system which helps to keep the big pool warm on cold days. Jugiong has pool blankets to keep water warmer on cold days.

The season tickets for both Harden and Jugiong will be available at Harden Shire Council. On 6 and 7 November from 3.30pm to 5.30pm pool manager, Mellissa Ings, will be at Jugiong Pool selling season tickets for anyone that finds it difficult to get to Harden Shire office.

This year you must have your season ticket with you to enter the pool. If you don't have your ticket you will be refused entry into the pool, or you will be asked to pay full entry price. We have season tickets so they can be used.

If you are a child with a Jugiong season ticket and go to school at Harden you may enter the Harden pool using your Jugiong season ticket, only if you enter the pool with the school group. Jugiong season tickets cost less money so they only give you access to Jugiong pool.

All school groups will need to ensure each child brings there season ticket with them to school so they can enter the pool.

For entry costs please contact the Harden Shire Council or visit their website.
