

Our new parent organisation

A bringing together of the P&C and the former School Council has resulted in one parent and community body to support the students and staff at MPS. Consequently there is one meeting per month, not two and one team working together.

The new officer bearer of the MPS P&C are:

President—Samantha Flanery (Contact 0427 200 544)

Vice President—Lisa Brown (0407 863 839)

Secretary—Nicole Woodhead (0427 826 361)

Treasurer—Sandra Weston (0407 117 756)

Canteen Managers—Jenny Daley and Mel Wilcox (0427 638 621 or 0422 262 431)

Publicity Officer—Jules Lenehan

General Committee—Phillip Woodhead, Sarah Bunt

This dynamic team was responsible for the successful variety bash catering and novelty events, which saw them raise an amazing amount of money for our students and school.

Over the last 5 years the P&C with the school community have raised about \$50,000. From these funds they have paid for two replacement interactive whiteboards at about \$6,000 each. This is but one example of what they do with their funds.

As a committee they are also involved in detail with the policy and future plans for the school.

New faces and ideas are always welcome, please come along to monthly meeting to show your support.

Due to an early start on Wednesday for the gold excursion the meeting which was to be held on Tuesday evening will now be held on Tuesday 17 June in the Meeting Room commencing at 7.00pm.

Mortimer Shield

In the boys opening game of Mortimer Shield, they came up against Young Public. In trend with previous year Young PS produced a very strong and well drilled team. Murrumburrah played well despite being a little cold and tentative early on. MPS eventually went down 28-0. In the second game, MPS played Young North in a much closer affair. MPS only conceded two tries the whole game and defended very well. Dan Trembath scored our only try in that game, despite the boys looking dangerous every time we had possession. The score line on the siren read 10-6, which could have gone the other way if only we were able to keep the ball in our hands. In the third and final round, MPS played Trinity Murrumburrah. From the kick off the game was very one-sided, MPS stepped up and dominated all facets of play with James Daley having many strong runs. Tries went to Dan Trembath, Darcy Fogg and Mitch Brown (who converted most tries) with the score ending at 30-0. All the boys played very well and showed terrific sportsmanship on the field. Dan Trembath was awarded best and fairest for MPS, showing great skill and toughness. Special mention also has to go to Dylan James for his solid defence, directing play and exciting runs.

Despite the cold weather the girls started strong, winning their first game 7-0. They then went down 3-2 to Boorowa and won 8-1 against St Marys.

Due to a technicality on the day, the girls made it through to the finals, going down 3-2 to Young in a nail biting game. Leni Morton-Manwaring, Madalyn Emms and Sharna Allen made great runs through the centre of play, while Hayley Chesworth and Abbey Wade showed their speed up the wings. Maria Raptis, Natalya Kelly and Jessica Bunt were great in defence taking some great tags. Clementine Flanery played outstanding on the day, scoring a hat trick in the first game and was awarded player of the day. Although the girls did not make it through to the next round, they should be proud of their effort and level of commitment showed on the day. A big thank you to parents who provided transport and support on the day.

Touch Football Reps

Clementine Flanery, Leni Morton-Manwaring, Maddy Emms and Hayley Chesworth attended Riverina Touch Football trials in Wagga on Friday. The girls all played well with Clementine making the possibles/probables match. Well done girls, you are excellent representatives of our school.
