

Term 2 Week 7

10 June 2014

Gold Rush

Searching for Gold

On the 4th of June most students from Years 3-6 left early in the morning to go on the long bus trip to Ballarat. On the way we stopped at Echuca and went for a ride on a paddle steamer. We then travelled on to the Welcome Stranger and had dinner and went to bed.

The following day was spent at Sovereign Hill exploring a mine, panning for gold and looking at the shops. In the afternoon we went back to the Welcome Stranger and jumped on a giant pillow until it deflated. We then had dinner and went to the night show called Blood on The Southern Cross. The show was a re-enactment but it definitely felt real and was the highlight of the trip. We were all very tired when we went back to the motel and went to bed.

On the last day we got up early and left the motel and piled back onto the bus. We stopped at Beechworth and went on a tour in the goal. We saw where the prisoners were searched, worked, slept, were hung and ate. We saw where some were set free. Solidity confinement was a very scary place to visit.

We arrived back in Harden at around 5pm and were glad to see our families and to go home after such a great trip.
