# Celebrating Education Week

2014 marks the 60<sup>th</sup> anniversary of the first Education Week. The tagline for the original, 1954 Education Week was: "Lighting the way to a better world". The slogan for this anniversary celebration and the artwork from the 1954 poster has been adapted for use by schools this year. I wonder how many in our school community remember this poster? If so, we would love to here from you...

### **Touch on the Coast**

On Monday we travelled to Ulladulla for the PSSA State Touch Football carnival and we had a training session in the afternoon. We played 12 games during the three days. The first day we played five games. We lost all of these games but there were some close results.

The second day of play we again lost all our five games, but we could have won some of the closer games. On the last day we played two games. The first was against Sydney Eastern and we lost 2—0. The last game was against Mackillop Catholic team and we lost 3—0. They finished 4th overall. Sydney North were the overall winners beating Polding 2 –1 in the final. We finished last overall and I didn't score a try but I had lots of fun.
