Public School

Term 4 Week 2

17 October 2016

Reboot

This term, Murrumburrah Public School will be trialling a new behaviour management procedure called **Reboot**. Reboot is designed to deal with inappropriate behaviour in a positive way that will help to prompt and promote change in the future.

Should a student at Murrumburrah Public School make a poor behaviour choice and is unable to self-regulate or correct these behaviours they will participate in Reboot. Here, they are offered the opportunity to reflect on and discuss their behaviour choices and come up with ways to make it right or do it better next time.

Afterwards, students will be given a paper slip to take home that congratulates them on completing Reboot and prompts the parents or caregivers to have an open conversation about what happened.

Should your child receive one of these slips it's important to remember that they made the choice to take an active, positive approach to dealing with their behaviour. We thank you in advance for your support with the implementation of Reboot at MPS.

Cyber Safety

A 'ThinkUKnow' cyber safety parent/carer session will be held at Murrumburrah Public School on Monday 24 October in the school hall from 4.00pm to 5.30pm. These sessions are aimed at educating parents, carers and teachers on what young people see, say and do online and how to overcome challenges.

The program is pro-technology. Presentations cover online grooming, sexting, privacy, inappropriate online behaviours, ID theft and fraud, and general online safety. We invite all and encourage all parents/carers to come along and be a part of this very informative session.

Big Red Bus Presentation

The Australian Federal Police, in conjunction with the Daniel Morcombe Foundation, have launched The Big Red Bus initiative which will be visiting our school. The presentation will be held on Monday 24 October at 9.15am and will include students in Years 4, 5 and 6.

All parents/carers and community members are invited to join us for one of special events of the year, our

Kite Making Workshops

We would like to thank the Harden Kite Festival committee for giving all our students the opportunity to participate in kite making workshops last Friday.

The students enjoyed the sessions where they made and decorated their kites, before heading outside to fly them. The oval and school looked fantastic throughout the day!

Making payments online

Don't forget all payments to the school can be paid online with a credit or debit card via the school website. If you have excursions, voluntary contributions etc to be paid try out the easier way of payment.

Our school website is murrumburr-p.school@det.nsw.edu.au. Go to the 'Make a Payment' and follow from there. It's quick and easy.
