

Term 3 Week 2

25 July 2016

Book Week is always a highlight on the MPS calendar and this year's theme, *Australia! Story Country* will provide students with some great learning opportunities during the week. Students will be able to view the selection of books which will be displayed in the Meeting Room and create their wish list on Wednesday. Books will then be available for purchase on Friday before and after our Book Week parade, which commences at 12.30pm. We will be using our new drop-down screen during the parade, so please come and join our celebrations.

SEAL (Something Else Awesome to Learn)

As part of our Enrichment Programs, students Years 2-6 enjoyed the first of four SEAL sessions today. It was great to see students so eagerly writing their three preferences and enthusiastically participating in the groups. Teachers and volunteers who are running the sessions are quite looking forward to the next four weeks.

Speech program

Our school has been very fortunate to secure the expertise of students from Melbourne University who, as part of the requirement to complete their speech degrees, are conducting speech interventions in our school. The selected school students began the program last week and will continue for another three weeks. We are very grateful to Mrs Whinam and Mrs Barbara Dodd for co-coordinating this most valuable support for our students.

Staff Matters

Miss Morris returned to school last Friday and Mrs Whinam will return this Friday. Thank you Mr Blair and Mrs Dunstan for ensuring quality learning continued during their absences. Mr Gray is on leave for the next three weeks and Mr Whittington will be maintaining the school grounds during that time. Mrs Dodd will also be on leave next week.

PBL Picks Up Where it Left Off

At the end of last term students enjoyed their first whole school PBL reward, the class swap. All classes reported that they enjoyed the day thoroughly and loved the activities that their temporary teachers organised for them. Students should be proud of their attitude and behaviour on the day, a great way to end a fantastic term.

Term 3 has started off where term 2 ended with students kicking straight back into gear. The week began with a PBL lesson on respect and how it looks in the school. Students loved acting out different scenarios. This week there will be a school-wide focus on one of our other values, responsibility.

Responsible students know the impact of their actions and understand that they are accountable for them. We encourage all students to make well-considered and responsible choices that will have a positive impact on themselves and those around them.

Fresh Faces in the SRC

A new term means some new class representatives in the SRC. On behalf of the leadership team we would like to congratulate the following students for taking on the responsibility of representing their class this term:

Phoebe and Charlie run at State Cross Country

On Friday 22 July, Charlie and I went to Eastern Creek for the PSSA State Cross Country carnival. My race was at 9.55am and Charlie's was at 11.10am. I finished 59th out of 80 and Charlie came 69th out of 76.

Even though it was a warm and sunny day, the course was a little muddy. The course consisted of different conditions with some parts of the track grass, and others asphalt, pebbles and mud. There was one big hill to run up which was quite hard, the run down the other side was much easier.
