

School Planning 2018 - 2020 underway

The last three years have just flown by and it is now time to evaluate the effectiveness of the 2015-2017 school plan and to begin the 2018-2020 plan. We are gathering information from many sources including the *Tell Them From Me* survey that has now closed, focus groups and staff meetings to find out what has worked well and what we can do to improve.

We set out three years ago to build a school community with a strong learning culture where teachers have the skills to deliver differentiated learning to improve learning outcomes for students. We have invested heavily in additional professional learning for staff, technology and creating flexible learning spaces within our beautiful old school. We also wanted to increase

community and parent engagement, expose students to experiences beyond their local community and to strengthen Positive Behavior for Learning (PBL).

We want to hear your thoughts...what is it that you want from the school over the next three years? What directions would you like the school to take? How can we continue to improve?

So we want you to come along to a Focus group meeting on Tuesday 31st October at 7 pm and help us plan for the future.

From my desk...

Clare Crawford

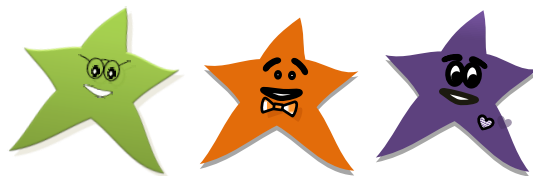

WHAT'S HAPPENING...

 3G - Ashley Walsh & Liam Carnell
 4L - Nicholas Young & Erin Abnett
 5F - Lachlan Campbell & Bella Paulissen
 6M - Bianca Burns & April Drew

Kite Flying Afternoon

Kicking off term 4 in Year 1 & 2

Year 1 & Year 2 are off to a busy start for term 4. Students participate in daily reading and learning stations for literacy. Some of the learning stations that students can participate in incorporate a range of key learning areas, such as science & technology (STEM), fine motor, persuasive writing, visual arts and maths.

All students participate in TEN (Teaching Early Numeracy), which is a chance for them to work on their early arithmetic skills.

In History we are learning about how the things from the past effects the present. We will also take part in a local excursion to our Harden-Murrumburrah Light Horse memorial museum.

In PDHPE we are learning how to be safe around roads, medicine and water. We are also learning cricket skills with Mr Shean and we look forward to starting intensive swimming in week 6.

T20 Milo Cricket Blast

Last Wednesday, Years 3-6 travelled to Young to participate in the Milo cricket T20 blast. We learnt new skills in batting, bowling and fielding and it was a fun day for people to play non-competitive cricket. Everyone had a great time and enjoyed playing cricket.
