

# Murrumburrah Public School NEWSLETTER

Term 1 Week 11

9 April 2018

Harden ANZAC Day commemoration service will be held on the 25 April, which is the second Wednesday of the school holidays. I would like to encourage all students who are able, to attend this important community event. Students are to wear full school uniform and to assemble outside the post office at 10:15am ready to march to the Cenotaph at the park. Parents can collect their children after the service. Please let the teachers know when you are leaving with your child. Students will receive a slip today, please bring this with you on the day so we can keep a record of students who attended.

I truly appreciate your consistent efforts to ensure our students are achieving success today and are prepared for tomorrow.

To the many families and friends who have supported our school this term thank you also. Murrumburrah Public School has a proud tradition of community support and this was highly visible during Term 1 with increased numbers of community members attending events such as Harmony Day and pop-up workshops for parents/carers.

## The Term that was...

I proudly acknowledge the growth that every student has made during Term 1 and I hope you find many reasons to be proud of your children and our school. It is important that we take the time to reflect and celebrate our achievements.

Students have achieved in many different ways at various events and activities at MPS. For some, this success was starting school for the very first time, achieving personal learning goals, playing a musical instrument, dancing on stage, swimming faster than you thought you could.

Thank you to our dedicated teachers and support staff for your ongoing enthusiasm and dedication to our students.

Finally, I would like to wish everyone a happy and safe holiday break. Please take care of yourselves and each other, and I look forward to seeing you all back on Tuesday 1 May for the start of Term 2.

Don't forget to check our Facebook page for the vacation care holiday program. Lots of wonderful activities!

Have a great holiday!

From my desk...

## PSSA Riverina Soccer Trials

On Tuesday, 3 April we went to Albury to participate in the PSSA Riverina soccer trials. First we played 3 games to try and win a place in the possible and probable game. 28 girls were selected and luckily Brooke was one of them. Unfortunately Bella missed out. In the possible and probable game Brooke scored 2 goals but unfortunately missed out on a spot in the Riverina side. We also held the winning streak of the Cootamundra district side being undefeated for 5 years. By Brooke & Bella

There are a number of un-labelled items in the lost property basket (jumpers in particular). You are welcome to come and look if you are missing any items.

## P&C News

### From the Presidents Desk

The last week of term has rolled in very quickly and we hope that everyone has had a fabulous term!

Following the Year 2 assembly on Friday which was awesome and lots of fun to be part of, Mary Dodd our MPS Instructional Leader held a pop-up workshop on Number Talk - these workshops are a new initiative to enable us to support the children's learning at home, using the same techniques. I can tell you a lot has changed in how children learn from when I went to school.

I encourage you all to attend these workshops!

The P&C Meeting is on tomorrow night (10 April) 6pm in the Meeting Room - we would love to see you there!

Thank you to all our volunteers in the Canteen over this term - I encourage you to get involved and let Treen Brooker know if you are able to help out - we still have a few days left to fill, if we can't get volunteers then we may not be able to operate the canteen on those days, which would be shame!

I hear that Friday was a massive day with takings well in excess of \$250. Remember all the money raised through the canteen comes back to the school and our children.

Wishing you all a safe and happy holidays.

Em
