P&C News

From the Presidents Desk

I hope you all had a wonderful holiday! It will be another big term with lots of different events on within or school community.

Thank you to those who gave up their time during the holidays to help out tidying up the front garden and pruning a few of our trees - despite the lack of rain our grounds look in top order!

We will look to have another working bee early this term, hopefully by then we can get our spades into the ground!

Sadly we have decided that we will need to close the canteen on a couple of days this term as we have been unable to fill these days, if you are able to volunteer on these days please contact me!

Going home this term will be some raffle tickets. This year the P&C have decided that we will run a monster raffle with a \$2,500 cash prize! The winner will be drawn at Presentation night in Term 4, just in time for Xmas!

Canteen News

Thank you to Peggy Hocking for her many hours of service to the P&C canteen, Peggy has been a regular face in the canteen on Monday's for a number of years. She tells us that she will still be around to help out on sports days! At our last P&C meeting we recognised Peggy's contribution to the canteen and our P&C. Thank you Peggy from all of us!
