

Our vision is to ensure every child has a sense of belonging to our school and they are confident learners who reach their full potential. We are committed to delivering rich differentiated learning in a nurturing environment.

ATHLETICS CARNIVAL

MPS Students, teachers and parents braved the threatening weather conditions for our carnival.

The weather was not on our side again in 2018. We forged ahead and surprisingly the rain held out for all the track and field events to be completed.

There was plenty of cheering and some inventive chants lead by the house captains. It was great to see so many parents come out and brave the weather to support their children!

Overall the day saw some great results achieved... Jomar Caboral running 14.3 seconds in the 100m! From Kindergarten to Year 6 everyone gave it their all.....encouraged their fellow competitors and displayed our school values throughout the day.

Thank you to all the helpers who assisted with the track and field events. A big thankyou to all the workers in the canteen... A huge effort to get over 120 lunch orders ready!

We will be having our special assembly to announce place winners, age champions and overall house winner in Week 8 Thursday 21 June at 2:30pm.

P&C News from the Presidents Desk

Many thanks to all the parents who helped out on Friday at the Athletics Carnival! We really appreciate all the time you contribute towards our school!! We are still doing the final count to bank so next week I will be able to report what we made from the canteen at the carnival.

Don't forget to return your raffle tickets if you have sold your book—we are keen to know how we are tracking towards our fundraising target.

Tonight is our regular meeting and everyone is welcome! 6pm in the Meeting Room.
