NEWSLETTER: 21 October 2019 ~ Term 4 Week 2

Many Hands Make Light Work

First of all, I would like to express a huge thank you to the P&C for your fundraising efforts including recent events such as the Kite Festive, the Harden Show and Trent Barrett Shield. These events take a huge commitment in terms of time and energy and we owe you our gratitude.

The School Canteen and Uniform Shop provide an invaluable service for families in our school community and it is important to remember that every cent of profit goes directly back to the school to benefit students.

As well as fundraising, our P&C also perform important roles such as contributing to the School Plan and to help make decisions about the day to day issues at our school. Bringing parents and the school together to share information about our school is vital and please remember all parents and carers are most welcome to attend the meetings.

Tell Them From Me

The Tell Them From Me survey closes this Friday. If you have not exercised your opportunity to have your say, please click on the link to do so!

Capital Improvements

During this term, the old tiles on the K-2 building will be removed and replaced with colourbond. There will be some minor disruptions and I ask that when you are visiting the school, to be extra mindful of cordoned-off areas and other safety measures. Other projects include improving disability access to the 3-6 area with ramps and balustrades, which will be completed prior to 2020.
