## Positive Behaviour for Positive Results

2019 has been a year of consistency and triumph for PBL at MPS. Students have shown great respect, constantly upholding the three school values of Respect, Responsibility and Empathy. With great behaviour comes great reward, and students will reap those rewards this Thursday 31 October.

Earlier in the year, students were rewarded with a multi sports and activities afternoon and have continued to build those awards, earning a multitude of five star cards in recognition of their behaviour and respect.

Through hard work and determination, students have reached their goals of another PBL 'Long and Strong' reward.

We are excited to see students take part in an inflatable obstacle course. Each class group will rotate through the course, allowing everyone to experience the gigantic inflatable world and receive acknowledgement of their fantastic behaviour in 2019.

Well done MPS on another fantastic year of positive behaviour, enjoy your reward!

From Clare's desk...

*Mr Jarrod Loiterton*

PBL Co-Ordinator

## WHAT'S HAPPENING THIS WEEK...

EVENT	CLASSES	ACTIVITY DATE	COST	Notes / Money due
Healthy Harold	All students	Mon 28, Tues 29, Wed 30 Oct	\$10	Overdue

SRC WALK-A-THON	All students	Friday 1 November 11.20am—top oval	Sponsorship / donation	Monday 11 Nov
Year 6 Camp Point Wolstoncroft	Year 6	Final payment overdue	Balance outstanding	Urgent

# Year 5 War Memorial Excursion

On Tuesday 22 October, Year 5 went to the Australian War memorial and we had a blast with our driver Mr Wade and our teacher Mrs Glover.

When we got to the destination, we watched a short clip of the memorial peace day, Remembrance Day and the **big do not touch speech** and Mr Wade accidentally popped his head over the glass and an alarm went off, luckily no one got in trouble.

After we had a little walk around, we went to the Discovery Zone where we could touch everything. There was a submarine that was my favourite. Including a helicopter, and there was trench's that made your feet look diseased. A drawer that opened in the submarine which produced a foul smell.

Then we went with a tour guide that taught us about World War I and the Light Horse statue Bill the Bastard. We sadly learnt about a dog named Kruger that was shot five times. Ouch! When it was over we went to the nearby eating area and we had lunch, after lunch we went home. And that was the trip.

# BOOROWA CARNIVAL

Last Friday, students from years 2 - 6 attended the Boorowa Netball and Touch Football Carnival. The annual event attracts over 400 teams from as far as the south coast, who come along to participate in what is a great display of sportsmanship and skill. Students from MPS demonstrated our core values of *Respect*, *Responsibility* and *Empathy* at all times and it was wonderful to see so many happy and engaged children. From playing a first ever game of netball, to being undefeated, every student came away from the day with an exciting story to share. Thank you to our wonderful helpers from MHS who officiated both the touch and netball and a big thank you to our parent community who managed teams, assisted managers and supported students and staff alike. Well done to the co-ordinators on a great day. *Mrs Letitia Beal—Co-Ordinator*

## Library Update

This term has seen a change to the library timetable. Students now visit the library for a day every second week rather than the usual two hour visit each week. The students are all enjoying the change so far. During library students complete borrowing of new books as well as science, technology and STEM activities.

What does the new timetable mean for book borrowing? Students need to bring their library bag and book on their library day and may also borrow during the week on Tuesday, Wednesday or Thursday at second half lunch.

A big thank you to our wonderful P&C committee who donated money towards 10 new iPad's. The students are loving these new additions. Last term students enjoyed using an augmented reality app where they were given a colouring page then used an app on the iPad to see their colouring come to life. Using the iPads will allow students to experiment with filming and photography, coding based apps and many more wonderfully engaging learning experiences.

*Mrs Laura Prosser—Library Teacher*
