WALK-A-THON

Friday was a hot and sunny day, but that didn't stop MPS students from donning their costumes and being ready to walk. Students were suitably dressed in the theme of 'My Idol' and took to the course with enthusiasm and gusto.

Participants made their way around the course for roughly 50 minutes, gaining laps and raising money for our school. Despite the sweltering weather, laughter, smiles and some impressive dance moves were seen on the day.

Well done to our best dressed students from each class. Thank you to the families that made the trip to the top oval to support our school. We look forward to next year's event.

Don't forget to return your sponsorship/ donation money by this Friday 8 November.

PBL REWARD

Last Thursday, students were treated to their latest reward for the upholding of positive behaviour. This reward took the form of a large inflatable obstacle course. The weather cooperated on the day allowing students, and some keen staff members, to navigate the course in their class groups. Aside from the laughter and enjoyment, students continued to display our three PBL values, respect, responsibility and empathy, as they took part in the course. Our ride operator even commented that MPS is one of the best schools he has been to. Thank you to the students and staff for your continued support of PBL and here's to looking forward to the next one. *Mr Jarrod Loiterton — PBL Coordinator*

Healthy Harold

One day my class went to Healthy Harold and he is a giraffe. We learned about being healthy. We learned about exercising and eating healthy. It was fun.
