A Reason to Celebrate

Student wellbeing is a top priority for our school, as it is fundamental to successful learning. Positive student wellbeing allows students to thrive, flourish and learn. Programs such as Positive Behaviour for Learning, Kitchen Club, Student Representative Council, Learning Support, Boost, Healthy Canteen to name just a few, all contribute to student wellbeing at our school.

Recently students 4-6 completed the **Tell Them from Me** survey and the findings are to say the least, very encouraging. Our school, as you can see from the graphs below is above the state average for all Social-Emotional outcomes.

Puppet Show

This week, students K-5 will be treated to a Puppet Show performed by Camp Quality.

The touring puppet show for primary schools answers difficult questions kids have about cancer. Often the effects of cancer can be confronting for young kids - when children return to school they often look very different as a result of the side effects from their treatment. This needs to be explained so kids know what the child has been through and why it's important to support them. Importantly the puppets teach students that cancer is not contagious. The show encourages kids to be supportive of their classmate who has a mum, dad, brother or sister impacted by cancer - or who has cancer

themselves, and reduces the likelihood of bullying, exclusion, confusion or anxiety.

Students are asked to bring a gold coin donation and staff will be donating to this worthy cause. For further information, we provide the link below:

Today our school hosted a special Remembrance Day assembly. We were fortunate enough to have a live rendition of 'The Last Post' and 'Rouse' performed by Steve Belling. Every class rep laid a wreath and selected students recited poems. Special thanks to friends and family who were able to attend.

Thanks also to Year 5 for hosting the event and Mrs Glover and 4/5G for the replica of the 'wall of remembrance' from the War Memorial in Canberra.

Students in years K-5 are thoroughly enjoying and benefiting from the Swim & Survive program. Don't forget to pack swimming gear for the rest of the week.
