

# Murrumburrah Public School

NEWSLETTER: 12 June 2019 ~ Term 2 Week 7

## Enrolments for 2020 NOW OPEN

Congratulations to Harry Smith who is our first enrolment for kinder 2020. Following our very successful parent information session held last week, enrolments are flowing in. While 2020 may feel a long way off, planning is well underway. Enrolment forms for kinder 2020 are an important part of that planning process.

With more families choosing Murrumburrah Public School as their school of choice, it is likely our student numbers will reach around 190 next year. This means an increase in resources across all areas including more teaching and support staff.

Your assistance in returning the enrolment form as soon as possible is very much appreciated.

A huge thank you to families and staff who contributed to the success of our parent information session held last week. The new format with parent workshops was very well received by those who attended.

From my desk... *Clare Crawford*

**Kinder 2020 Open Day ~ Wednesday 14 August 2019  
9.30am to 1pm ~ Everyone welcome!**

## DEBATING SUCCESS

This year MPS is once again involved in the Premier Debating Challenge. Our debaters have worked very hard to grasp the way a debate runs and have near mastered their role in the teams! We have held our first formal 'in school' debate between the Magpies and Kookaburras, with the win going to the Kookaburras.

Then last week one of our MPS debating teams, the Kookaburras whose team members were Ryan Weston, Thomas Woodhead, Charlie Lenehan and Isaac Brown travelled to Young Public School for their first debate against another school. They did the most amazing job. They lost their first debate and then had a win. Well done to all our MPS debaters!

Debating Coordinators

## AROUND THE GROUNDS

Our school grounds are the envy of many. Keeping it that way is largely due to the dedication of Mr Gray, Mrs Gosang, Ms Hay as well as our volunteers. Recently we took delivery of a new ride-on mower which will make Mr Gray's time even more efficient. Thanks to the efforts of the P&C and generous community contributions.
