NEWSLETTER: 1 July 2019 ~ Term 2 Week 10

# HAPPY HOLIDAYS

There is no doubt the staff and students are looking forward to a well earned break after another busy term.

We will be wrapping up the term with two very important celebrations this week. The first being the PBL rewards, Tabloid afternoon where each and every child will celebrate our achievements for wonderful behaviour. The second being NADOIC Day celebrations where students K-6 will participate in various workshops with special guests.

Semester one has been full of many successful accomplishments for staff and students. Teachers completed intensive professional learning to build their capacity to engage students with autism.

Teachers have continued to work closely with the instructional leader to implement state priorities.

Our students have continued to shine in the playground and the classroom. Whilst our little school community has faced some challenges, students have shown resilience, empathy and commitment.

Visiting members of the school community continue to make positive comments about students being well manned and welcoming.

Thank you families, for your ongoing support of our wonderful school and I wish you all a safe and happy holiday.

From my desk...

*Clare Crawford*

## Cinderella & Rockerfella Pantomime

Rehearsals for the MPS Pantomime, *Cinderella & Rockerfella* have been gearing up in anticipation of September's performances. Selected students have gathered in the hall from Crunch on Friday afternoons to rehearse lines, songs & stage movements. Rehearsals will continue into term 3, along with some additional lunch time practise.

## NAIDOC DAY

This Friday 5 July, MPS will be celebrating NAIDOC. The entire day will be devoted to activities surrounding the theme of NAIDOC 2019: VOICE,TREATY,TRUTH. Every class will have the opportunity to join in on craft activities, dreaming stories and various other rotations. A special guest, Mr Larry Brandy will also be attending and sharing his stories and experiences as a Wiradjuri man.

All students are encouraged to wear red, black and yellow clothing on the day and members of the community are invited to come along and join in the celebrations. Harden-Murrumburrah has a rich, Indigenous history and NAIDOC week is just one fabulous way to recognise the local history and support the education and understanding of MPS students.

## HOLIDAY CLINICS

The League Stars program appeals to the true nature of kids, in all their messy, high energy, love of fun and play. During the holiday clinic your child will participate in specially designed games that get them smiling and sweating.

League Stars kids have loads of fun with their friends, old and new, but the program delivers so much more. The holiday clinics unlock more of their unique strengths, building physical, cognitive, social and emotional skills that will help them take on challenges big and small, now and in the future.
