## Our School Excellence Recognised

Dear Families,

I am delighted to share with you, last week our school was contacted by Scott Olsson, Principal In-Residence for the Rural South and West Operational Directorate whose role is to create a resource of best practice for schools in his directorate. Our school has been identified, through the External Validation process as excelling practice in student wellbeing and management practices and processes. Our successful practices will be shared and held up as best practice for other schools to consider.

In the Learning Domain Wellbeing; we have a strategic and planned approach to develop whole school wellbeing processes that supports the wellbeing of all students so that they connect, succeed, thrive and learn. In the Leading Domain Management Practices and Processes; we have administrative systems, structures and processes

to underpin ongoing school improvement and professional effectiveness of all school members.

This recognition is a result of many people's dedication, vision and contribution over many years, to our wonderful little school with a big heart. I would like to offer my congratulations to students, staff and families on this wonderful achievement.

Our school will be open this Wednesday 21 August for prospective kinder 2020. Please feel free to pass this information on to families who are considering where to enrol their child for 2020.

From my desk,

*Clare Crawford*

## DISTRICT ATHLETICS

It was a beautiful sunny day as student's from Murrumburrah travelled to Temora for the Cootamundra Zone athletics carnival. Throughout the day students competed in various events of athletic prowess. Away from the track, behaviour was exemplary. Each and every student upheld our three school values, respect, responsibility and empathy. Sportsmanship and grace were consistently on display from our MPS students with politeness and manners being used in abundance. Notable successes from the day include our senior boys relay team running second overall, and Tim Kain coming away with a third place in the senior boys championship. Thank you to all the parents that attended on the day for your continued support of public schools sport. Students should be proud of their achievements and conduct that was shown on the day. Successful qualifiers to our Riverina carnival will be notified later this week.

Well done everyone. *Mr Jarrod Loiterton—Co-ordinator*

## STEWART HOUSE

Last Friday Charlene and Courtney returned from a wonderful week in Sydney at Stewart House. During the Stewart House program children develop self-care, social and conflict resolution skills, learn to relax and overcome anxiety, develop a broader outlook on life, establish friendships and routine, increase their self-esteem and feel emotionally supported.

**AUTHOR VISIT** Lee Constable, past MPS & MHS student, author and TV presenter is visiting our school on Monday 26 August. She will present an author talk to students in years 2-6. Her recent book is called *How To Save the Whole Stinkin' Planet* and as the title suggests students will learn some simple things they can do to make a big difference to our planet. The author talk is free of charge, however students are able to purchase or order a signed copy of her book on the day for \$19.95

Don't forget our  
BOOK PARADE ASSEMBLY  
FRIDAY 30 AUGUST  
12.30pm in the hall  
Come dressed as a character from your favourite book

Please pass the word to friends & family who have students enrolling in Kinder next year.
