

Murrumburrah Public School

NEWSLETTER: 26 August 2019 ~ Term 3 Week 6

Dear Families,

New enrolment policy

The new enrolment policy for students across NSW government schools, contains some important changes that parents and carers need to know. Each school will have a local intake area and a cap on students numbers set by the government from term 4 2019.

If your child is already enrolled in a school outside of the catchment area, they will remain enrolled at that school. There will be no changes to enrolment rights of siblings of non-local students. We will continue to provide families with support and advice during the enrolment process, including exceptional and compelling circumstances.

The link below is for further information. Please do not hesitate to contact me if you have any questions.

Why is professional learning for teachers important?

Teaching is complex and demanding work that requires highly specialised skills and knowledge to impact

significantly on student learning. Improving the learning outcomes of all students regardless of their socioeconomic background or geographic location is key motivator for all our teachers and support staff.

Professional learning in our school, is designed to engage teachers in effective, ongoing professional learning to develop progressively higher levels of expertise to get the very best outcomes for your child. Each Wednesday afternoon teachers meet to showcase and share their learning. They also attend workshops on-line and attend face-to-face sessions offsite.

Our Instructional Leader - Mrs Mary Dodd works very closely with teachers to design their professional learning program to ensure it is a good fit for them and the students in their class. Mrs Dodd also models best practise for the teachers to observe.

I think you will agree we have a great team at MPS who are not only highly skilled, but know and care for every student.

From my desk,

Clare Crawford

ICAS Assessment	Participating students	Monday 2 September	Refer to note	Overdue

Kinder 2020 OPEN DAY

Open Day 2020

Despite the cold conditions, a great day was had by all who attended our Open Day last Wednesday. Our little students had a wonderful day at big school, ably assisted by the year 4/5 buddies. Thank you Bunyip staff, Ms Dunn and Ms Campbell for your excellent organisation. Mr Wade and Mr Gray did an outstanding job of cooking and serving 250 sausage sandwiches!

TODD WOODBRIDGE CUP

On Friday 23 August, students from Murrumburrah Public ventured to the Harden tennis courts to participate in the regional rounds of the Todd Woodbridge Cup. Students from around our region converged on our local courts for a day of fun and competition. Seven teams in total made the trip. The day was filled with skilful shots, scintillating rallies and above all else, remarkable sportsmanship. I would like to thank the Harden Tennis Club and Tennis Australia for hosting the day. I would also like to thank all the students that participated for your consistent upholding of our three values, respect, responsibility and empathy throughout the competition.

Mr Jarrod Loiterton—Co-ordinator

Cinderella & Rockerfella
