LAST DAY OF TERM 3	All students	Friday 27 September		
STUDENTS RETURN	All students	Monday 14 October		

NAPLAN— Today, Year 3 and Year 5 students will bring home their NAPLAN report. Overall we are very pleased with the growth that students have shown. However it is important to remember that NAPLAN is a snapshot of student achievement in literacy and numeracy. If you have any questions regarding your child's report, please do not hesitate to make an appointment with your child's teacher to discuss.

NSW PREMIER'S SPELLING BEE—On Friday 13 September, Isaac Brown, Jayden Steele and Zafir Alam travelled to Turvey Park Public School to represent MPS in the Regional Final of the Premier's Spelling Bee. The event was a great opportunity for all students to compete alongside other talented spelling enthusiasts as well as showcase their own spelling expertise. Our representatives proudly demonstrated our school values throughout the day with Zafir making it through to the third round.

A special congratulations to all students. Witnessing and participating in these types of competitions helps us to grow as learners and people and I know each of our students reflected positively on the experience. Well done!

Mrs Letitia Beal—Spelling Bee Co-Ordinator

Holiday message from the principal

As we sail into the last week of school prior to the autumn break, we would like to wish all families a happy, restful break. This term has certainly thrown some challenges our way, with sadness and loss of loved ones. The strength of the family and our amazing school community has shone through. We have also had tremendous joy with children embracing excursions, sporting events, the Spelling Bee and of course the pantomime. Thank you to every staff member and every family for your love, support and compassion.

We look forward to seeing you all back safe and well next term.

From my desk...

Clare Crawford

This Friday 27 September
Come dressed in your footy colours.
Gold coin donation.
All money raised supports
kids living with cancer.
