Year 6 Visit to Charles Sturt University

On August 27, Year 6 travelled to Wagga Wagga to go to CSU.

First when we got off the bus we went to the theatre, there we met Ester, our leader for the day and got a rough idea of what we would do for the day.

Our first activity was Physics, we learnt about pressure and looked at the sun with a special telescope. We also spun around on a chair with a bicycle tyre. We had a lot of fun doing science activities.

Next we went into Psychology where we learnt how the brain works and how peoples minds see and work differently.

After lunch we went to our final activity, Animal Science, we learnt how to tell if an animal is a herbivore, carnivore or an omnivore by its teeth. We also had to work out what animal skull belonged to what animal.

When we finished we went back to the theatre to do our graduation and get a certificate.

We had a very fun day learning about different jobs.

WHAT A DAY!

Students not only dressed up for Book Week, they also helped celebrate (School Administrative and Support Staff) SASS Week!

Students were snapped outside the administration office showing their appreciation last Friday.

Thank you parents for supporting a day of fun and fantasy at MPS.

Thanks also to Mrs Prosser for organising the day.

AUTHOR VISIT

MPS students years 2- 6 thoroughly enjoyed having past MPS & MHS student Lee Constable visit us last week. Lee generously donated a copy of her book to the school library.
