DEBATING IS 'VIRTUALLY' BACK

This year we will be participating in the debating competition via zoom. Our first debate will be this Thursday, where we will compete against Cootamundra Public School! All we know about this debate is the topic will be based around education. The four students selected to compete in the Round 1 debate will have 60 minutes to prepare their case. The students have become very comfortable presenting virtually and are looking forward to the first round!

This year our debating squad consists of Sybella Lenahan, Katelyn McMillan, Shelby Wirth, Antonia Raptis, Evie Giddings, Hannah Guy and Katie Brooker.

Here are some of our debaters' thoughts of why they think debating is an important skill!!

"I think debating is a really good skill to have because you can argue your point to change different things in the world to make it better and it is a good way to express and share ideas." *Antonia Raptis*

"Debating a skill that everyone should learn because it gives you confidence as well as skills in reasoning and persuading." *Shelby Wirth*

"It's a good skill to have because you can learn to be more confident about speaking." *Evie Giddings*

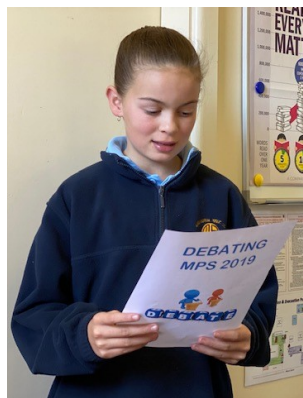

Debating is a good skill to have because it gives you the skills to talk in front of people and you learn how to write good speeches". *Hannah Guy*

"I like public speaking because you can speak to the adults about something you really care about."

Our school days...

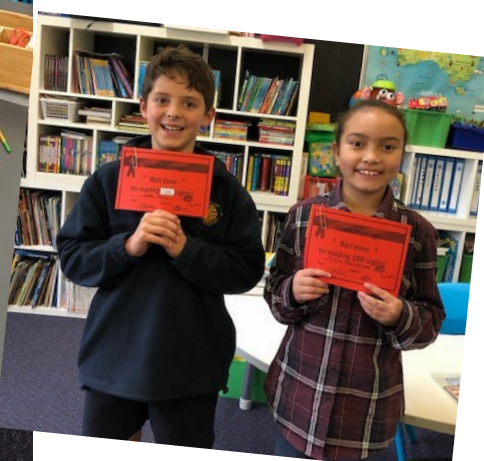

SBE—Reiken created a detailed plan before writing a journal entry from a character's perspective. We enjoyed playing Close Call where we had to use four cards to create addition problems that would result in an answer as close to 100 as possible.

Above: K/1D—Worms for news with Holly Glover. Coding Club and Reading awards.

Left: 1D happily working in groups.

Times table challenges and reading awards from 3G.

Our school days...

2M have been enjoying reading groups and learning their times tables.

Students always enjoy telling their news and listening to the news of others. This is also an important part of our speaking and listening.

SRC REPORT

Last Wednesday, the SRC and Class Representatives held our first meeting for Term 3. We thanked all classes for their contributions to the coin line and Block Colour Day fundraising event and shared ideas for fundraising opportunities for this term. Some of the ideas included Freckle Fundraiser, Simultaneous Disco, a Fun Run, Hot Dog Day and a Lamington Drive. After further discussion, the SRC decided to hold a Hot Dog Day and a Chocolate Fundraiser. We are looking forward to having fun and raising further funds for our school. The SRC would like to purchase equipment for the outside play area such as universal football posts and paint for field marking. We are also looking at ways we can contribute to classrooms and student learning opportunities. Congratulations again to our Term 3 Class Representatives! We are looking forward to more exciting times ahead!

...What's Cooking in the kids kitchen...

Basic Omelette

Ingredients

2 large free-range eggs

1 small knob of unsalted butter

Add any veggies you have in the fridge. We added capsicum, baby spinach, grated zucchini and tomatoes as well as lots of grated cheddar cheese!

Method

1. Crack the eggs into a mixing bowl with a pinch of sea salt and black pepper. Beat well with a fork.
2. Heat a small knob of butter in a small frying pan on a low heat, and once melted and bubbling, add the eggs and move the pan around to spread them out evenly.
3. When the omelette begins to cook and firm up, but still has a little raw egg on top, sprinkle over the cheese (if using). I sometimes grate mine directly on to the omelette.
4. Using a spatula, ease around the edges of the omelette, then fold it over in half. When it starts to turn golden brown underneath, remove the pan from the heat and slide the omelette on to a plate.

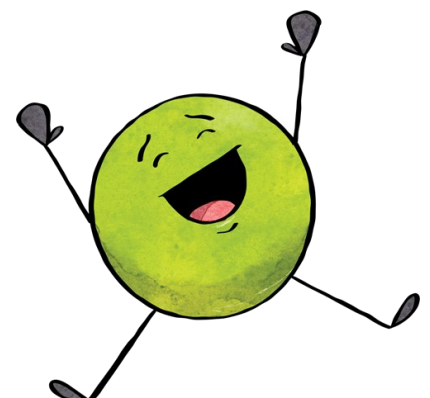

EDUCATION WEEK—IT'S A WRAP

Our education week video created by the student tech team was a huge hit. Today there have been over 1.9 thousand views and the following statement from the Deputy Secretary of Education—Murat Dizdar.

“Awesome – great to see the enjoyment on your students and staff faces - awesome coordination and catching skills as well!”
